NEMA BASIC ASSESSMENT PUBLIC PARTICIPATION PROCESS

PROPOSED SOLAR ENERGY PLANT NEAR AUGRABIES

Reference no's: NEAS: DEA/EIA/0000978/2012 DEA: 14/12/16/3/3/1/453

Proposed development: Augrabies Solar PV1 (Pty) Ltd Photovoltaic (Solar) Energy Plant with a capacity of up to 10 MW on 19.9 hectares with a 22 kV powerline near Augrabies. Alternatives are being considered.

Listed activities applied for: No 1,11,18(i),23 (GN No. R. 544); no 4(a)(ii)(gg),13(a),13(c)(ff),14,16(a)(ii)(ff)&(hh) (GN No. R. 546).

Location: Solar plant: Portion 9 of Farm Rooipad no 15 (2.2 km south of the Augrabies Falls National Park and north of the R359). An alternative 22 kV line route to connect to the Blouputs Substation on Farm 431 is being investigated.

Notification is given in terms of the Environmental Impact Assessment Regulations (2010) promulgated in terms of section 24(5) of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) that an application has been submitted to the Department of Environment Affairs to construct a Photovoltaic (Solar) Energy Plant near Augrabies, Northern Cape following Basic Assessment process.

Opportunity to participate: You are invited to provide written comments together with the above reference number, your name, contact details and an indication of any direct business, financial, personal or other interest which you have in the application to the contact person indicated below by 9 December 2013.

No jobs can be applied for during the environmental process.

Draft Basic Assessment Report, Background Information Document and Response forms available at Kakamas Public Library or by email request from 30 Oct 13 – 9 Dec 13, as well as at the Open Day / meeting. A Public Open Day will be held at the Augrabies Community Hall (19 November 2013 at 15:00, with a public meeting at 18:00).
