Dear Philip

Unlike most other Regions, the Northern Cape Region of WESSA has no staff, and is run by a group of volunteers. We currently have nobody on our Committee to handle the Conservation portfolio, and pressure of work means that **we are not able to attend meetings or participate in Environmental Impact Assessments at this time. Please note that a lack of response does not mean that we condone this project; it simply means that we do not have the capacity to deal with these matters.**

In the interest of saving paper, trees and costs, **please do not post any hardcopies or discs to us, unless specifically requested.** We cannot currently cope with these and they will be destroyed.

**Our fax (053 842 1433) belongs to the McGregor Museum, and should only be used under exceptional circumstances, and for single pages only.** This is a communal machine, so please mark all documents clearly 'WESSA', or direct them to me by name. **We prefer to communicate by e-mail.**
