Dear Ms Nkosi

I request please that you keep open the project file for Augrabies Solar PV DEA Reference: 14/12/16/3/3/1/453 and NEAS Reference: DEA/EIA/0000978/2012.

The project completed specialist studies and a Draft BAR during 2012. Nevertheless, some delays were experienced when the project was put on hold for a period of time as a consequence of the ripple effect of delays experienced with the national renewable energy IPP process.

The project is continuing and the Department of Environment Affairs will receive further correspondence shortly.

Yours sincerely,

Philip Rosenthal
